Professional Experience

April 2025 – Today

Horizon Scanner | Joint Research Centre, European Commission, Brussels, Belgium.

- Volunteering as a member of the Horizon Scanning community for the European Commission's Joint Research Centre.
- Participating in monthly sense-making workshops that explore potential future challenges and developments for EU policymakers.

February 2025 – Today

Research Intern | JFCBS NATO, Brunssum, Netherlands.

- Conducting qualitative research on relations between Russia and the EU in Mali as part of a very selective project for a university class.
- Weekly visits, qualitative research including interviewing and thematic analysis.

September 2024 – Today

Research Intern | REMIT EU Horizon Project, Maastricht, Netherlands.

- Conducted independent research on human germline genome editing and policymaking in the European Union for the EU-funded REMIT project.
- Created a simulation game as part of a complete section of a university course (International Negotiation) based on my research findings.
- Currently developing a Scenario Exploration System (serious game) for the European Commission based on my research, in collaboration with universities throughout the European Union.

June 2024 – Today

Student Association President | UCMSA Universalis, Maastricht, Netherlands.

- After being highly involved in multiple committees within the association for two years, I was elected as the President of UCMSA Universalis for the 2024-2025 academic year.
- I represent the entire faculty's student population at management meetings, review finances, host general assemblies, and more.

February 2024 – February 2025

Proofreader | Child Helpline International, Amsterdam, Netherlands.

- Proofreading and translation of documents in French and English

June 2024 – July 2024

Think Tank Researcher | Dutch Ministry of Foreign Affairs.

- Creation of a recommendation report based on qualitative research for the Ministerie van Buitenlandse Zaken on strategies for the Dutch position in the Red Sea crisis.

April 2021

Internship with French Member of Parliament | Assemblée Nationale, Saint-Just-Saint-Rambert, France.

- Internship with a Member of Assemblée Nationale, visit to municipal governments, and examination of budgets.

Education

2022 – Today

Bachelor of Liberal Arts and Sciences | University College Maastricht, Maastricht, Netherlands.

- Honors student, specialization International Relations, Foreign Policy and Security.

2019 - 2022

Baccalauréat Général | Saint-Étienne, France.

- Honors, Specialization Geopolitics and English, English European Section.
